

25.04.2022

Press Note

As per the decision taken by the CBSE, Board's examinations will be conducted in two terms in 2022 in view of Covid. Term-I Examinations have already been over and the performance of the students has been communicated to the schools. The Term-II Examinations for both the Classes X and XII will start from 26th April, 2022. The Class X examination will be conducted for 29 days and will be over on 24.05.2022. The Class XII examination will be conducted for 51 days and accordingly these examinations will be over on 15.06.2022. In Class X, CBSE will conduct the examination in 75 subjects and in Class XII in 114 subjects; total subjects for examination conducted by the CBSE would be 189. Other vital statistics of the examination are as given below:

Class X					
Total schools	Total centres	Total no. of female candidates	Total no. of male candidates	others	Total no. of candidates
22732	7406	894993	1221195	21	2116209

Class XII					
Total schools	Total centres	Total no. of female candidates	Total no. of male candidates	others	Total no. of candidates
15080	6720	639202	815162	6	1454370

CBSE has made elaborate arrangements for the conduct of examinations in India and in 26 countries abroad. As the examinations would be conducted after COVID hence CBSE has made all arrangements for the smooth conduct of examination. Because of COVID, these examinations are being conducted in the months of April, May and June, 2022.

All COVID norms implemented in the previous two examinations will be strictly followed this time also. For this purpose, CBSE is paying ₹.5,000/- to each examination centre for the purchase of Infrared Thermometer and also paying ₹.5/- per candidate per day for sanitization of school every day and for making arrangement of masks, sanitizer, soaps etc. to ensure cleanliness at the examination premises. CBSE is also writing the students and parents to follow the COVID protocols strictly. To ensure that all the important information for the conduct of examinations is

केन्द्रीय माध्यमिक शिक्षा बोर्ड CENTRAL BOARD OF SECONDARY EDUCATION

communicated to all responsible officials at the examination centres, CBSE conducted a Webinar today which was attended by more than 26,000 schools and the staff. To ensure that the students are appearing in the examination without any stress, CBSE has fixed the time table in such a manner that students are getting sufficient time for the purpose of preparation of the examination in all the subjects. As per the communication collected from all the examination centres, all preparations have been completed by the centres for the smooth conduct of examinations.
