

SUMMER SKILL SPLASH

AIR FORCE SCHOOL BAGDOGRA

ONLINE SUMMER CAMP

Summer skill Splash was planned with a vision to -

ENGAGE -the students at home safely making the best use of lockdown period.

EXPAND - the student's learning through new experiences.

ENCOURAGE-the students to try new activities that they might not get an opportunity to take on

EMPOWER-the students to hone their skills and polish their passion.

EXPLORE- the students ability to excel in the field of their choice .

SKILL SHARING

Age appropriate activities were planned in four groups under the able guidance of our enthusiastic teachers of team Air Force school Bagdogra. The overwhelming response of the students, teachers and the parents geared us towards a fruitful ten days of learning by sharing our skills.
