GREETINGS

As a mark of solemn tribute and celebration for the splendid victory of 1971 war, it has been decided to observe the year 2021 as 'SWARNIM VIJAY VARSH' by the services. We believe in igniting the passion for patriotism in the young people. We are pleased to inform that to commemorate this occasion an online quiz competition will be conducted by Air Force School Bagdogra on 12th April 2021. The quiz competition is meant to create patriotic feeling among the youth by making them aware of various facets of the victory achieved and sacrifices made in the 1971 war. Participation of your school for the same will be highly appreciated.
